Case No. AP-88-64

By application filed December 14, 1988, and amended December 19, 1988, Kenilworth/Parkside Transportation Company, Inc., a District of Columbia corporation trading as Kenilworth/Parkside RMC Shuttle (K/P), seeks a certificate of public convenience and necessity to transport passengers, together with their baggage, in special operations from points in the District of Columbia to points in Arlington County, VA; Fairfax County, VA (including Fairfax City); Falls Church, VA; and Washington Dulles International Airport, Loudoun County, VA; and return. 1/

K/P proposes to transport "employees" 2/ in vans seating 15 persons or less, including the driver. Service would be operated from 5:30 a.m. to 10:50 p.m., with arrival and departure times, as well as pickup and discharge points, to be determined in the future by customer demand. The number of vehicles to be used in the proposed service is not specified.

K/P proposes to charge each "employee" passenger a one-way fare of \$2.50 between the District of Columbia and Arlington County, VA, and a one-way fare of \$3 for all other service. Applicant's proposed tariff states that "employers" 3/ may subsidize all or part of the above fares for persons in their employ. Weekly fare cards would be available.

1/ This wording deviates slightly from that contained on K/P's application. If the authority sought by K/P does not comport with the Commission's description, K/P should notify the Commission within ten days of the service date of this order.

2/ The application defines "employee" as an individual engaged in providing service for another on a regular basis, in exchange for wages or salary subject to the income tax withholding provisions of the Internal Revenue Code.

3/ The application defines "employer" as a person or government agency which regularly pays to individuals, in exchange for services, wages or salary subject to the income tax withholding provisions of the Internal Revenue Code.

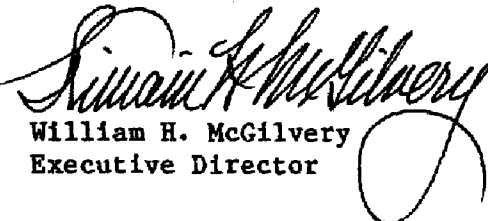

In support of its application K/P has submitted a balance sheet as of December 15, 1988; an operating statement for calendar year 1988; and a projected operating statement for calendar year 1989.

Pursuant to Title II, Article XII, Section 4(b) of the Compact, this application will be scheduled for public hearing to determine if applicant is fit, willing, and able to perform the proposed service properly and comply with the Compact and the Commission's rules and regulations and to determine whether the public convenience and necessity require the proposed service. Applicant will be assessed an amount preliminarily estimated to cover expenses applicant is required to bear pursuant to the Compact, Title II, Article XII, Section 19.

THEREFORE, IT IS ORDERED:

1. That a public hearing in Case No. AP-88-64 is hereby scheduled to commence Thursday, March 2, 1989, at 9:30 a.m. in the Hearing Room of the Commission, 1828 L Street, N.W., Suite 703, Washington, DC 20036.
